HALO CONNECT 4G BUNDLE

Using multi-network sim technology, we've created an industry-first 'always-on' 4G data management capability that automatically connects your body-cam footage to the cloud wherever you are, day or night.

HALO Connect represents a step-change in body-worn technology as part of an easy to manage monthly fixed price bundle, that combines the power of the UK's 4G mobile networks with HALO on-cam sync.
